

SMART. SAFE. SUSTAINABLE.

Retail Store Solutions Powered by HomeLink

HomeLink Commercial Solutions, backed by Gentex (NASDAQ: GNTX), delivers integrated smart building, security, and energy systems designed for modern retail environments. We help store owners reduce costs, protect staff, and enhance the customer experience—all from one powerful platform.

What We Deliver

ONE UNIFIED PLATFORM

Control access, video surveillance, thermostat control and more across all locations—via a single, secure dashboard.

SMARTER ENERGY MANAGEMENT

- Rooftop & parking lot solar
- EV chargers to attract & retain shoppers
- Smart blinds, automation, and demand response savings

ENHANCED CUSTOMER EXPERIENCE

- Branded guest Wi-Fi
- Visually consistent stores
- Increased property value
- EV chargers drive dwell time

SAFER STORES, SAFER STAFF

- Panic buttons, heat & fall detection
- Scheduled check-ins for lone workers
- Emergency alerts via app
- 24/7 intrusion & video monitoring

BUSINESS INTELLIGENCE TOOLS

- Queue monitoring
- Heatmaps & crowd detection
- Occupancy tracking
- Real-time insights via mobile

Results that Speak for Themselves

CASE STUDY

Formally known as Beacon Roofing Supply.

Dozens of Stores across 19 States

BACKGROUND

We delivered standardization of security systems with scalable support across all QXO locations.

SOLUTION

For most installations, we provided CCTV, commercial intrusion with monitored security, including the use of beam detectors for fence lines, visual verification services through RRMS, and networking equipment to support all devices.

RESULTS

These upgraded services, along with our on-going support are delivering safer, smarter, more cost-effective stores.
